

REAGLE R-MOVIELUM-P50

EAN/UPC:B0GQTZ6KNT

Brief Introduction

Beta 2.5

A brief introduction to the REAGLE R-MOVIELUM-P50. This micro-portable LCD LED projector has an HDTV resolution of 1920 x 1080 and a contrast ratio of 10,000:1. Thanks to the LEDs, it has a lifespan of 30,000 hours ? which equates to over 20.5 years if used for four hours a day. Horizontal and vertical keystone correction ensures that setting up the image is child?s play. Thanks to its brightness of 1,000 ANSI lumens, an image width of 164 cm is possible. In brightly lit rooms, the image should be no more than 109 cm wide. The projector supports AirPlay and Miracast screen mirroring, allowing high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. Another notable feature is the projector?s Bluetooth function allows it to be connected to external wireless speakers. Furthermore, the projector can play 1080p and 4K (compressed) content without any issues. Compared to other models, the projector is very quiet, with an operating noise level of 30 decibels.
