

Ricoh PJ WU5570

RICOH PJ WU5570

Brief Introduction

Beta 2.5

The standard portable PJ WU5570 3D DLP has 5500 Ansi lumens, a contrast of 9000:1 and a WUXGA 1920 x 1200 resolution. The horizontal and vertical keystone correction provides leeway when setting up. The model offers a microphone jack plug and 10W speakers, so no additional audio devices are required for presentations or training courses. A screen width of up to 753 cm is possible if the screen width is smaller (we recommend max. 502 cm), rooms with residual light are also no problem. It is also Full HD 1080P compatible. This model is no longer offered by Ricoh.

1 x 0,67" DLP Chip
WUXGA 16/9 Ti Digital Light Processing Chip
