

Sanyo PLC XF41

SANYO PLC XF41

A brief introduction to the Sanyo PLC XF41. The LCD projector has an XGA 1024 x 768 resolution and a contrast of 800:1. The built-in lens shift and keystone correction function provides freedom when setting up. 7700 Ansi lumens ensure that a picture width of 764 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 509 cm. The projector was launched in 2003 and is no longer sold by the manufacturer.
