

Sanyo PLV Z3000

SANYO PLV Z3000

Brief Introduction

Beta 2.5

The high-end home cinema Sanyo PLV Z3000 LCD projector has 1200 Ansi lumens, a contrast of 65000:1 and an HDTV 1920 x 1080 resolution. Including a lens shift function, which provides freedom during installation. 352 cm image width, the projector will be able to illuminate well. However, if room light is available, the image width should ideally not exceed 235 cm. Even 1080P video signals are no problem for the projector. On the market since 2008, the model is no longer offered by the manufacturer Sanyo, but is still very popular in our projector database.
