

Sharp PG D3050W

SHARP PG D3050W

Brief Introduction

Beta 2.5

The standard portable Sharp PG D3050W 3D BrilliantColor DLP projector has 3000 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. 3000 Ansi lumens ensure that a picture width of 556 cm is also possible. However, if room light is available, the picture should be a maximum of 371 cm wide. Even 1080P video signals are no problem for the projector. The model built in 2010 is no longer offered by Sharp.
