

Sharp PG F320W

SHARP PG F320W

The standard portable Sharp PG F320W BrilliantColor DLP projector has 3000 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The projector can illuminate an image width of up to 556 cm well thanks to the 3000 Ansi lumens. In room light, however, the image width should ideally be less than 371 cm. Even 1080P video signals are no problem for the projector. This model is no longer offered by Sharp.
