

SMART UF35 / Unifi 35

Brief Introduction

Beta 2.5

The Whiteboard SMART UF35 / Unifi 35 DLP projector has 1500 Ansi lumens, a contrast of 1000:1 and an XGA 1024 x 768 resolution. 1500 Ansi lumens ensure that a picture width of 337 cm is also possible. However, if room light is available, the picture should be a maximum of 225 cm wide. The projector is equipped with an integrated whiteboard function for interactive training and presentations. The projector is no longer sold by the manufacturer, but is still very popular in our projector database.
