

Sony VPL CH370

SONY VPL CH370

The Sony VPL CH370 model is an LCD projector with WUXGA 1920 x 1200 resolution and a contrast of 3000:1. The projector can be positioned very freely using the lens shift function. The model offers a microphone jack plug and 12W speakers, so no additional audio devices are required for presentations or training courses. A screen width of up to 718 cm is possible if the screen width is smaller (we recommend max. 479 cm), rooms with residual light are also no problem. The model is also Full HD 1080P compatible. This model is no longer offered by Sony.
