

Sony VPL EW348

SONY VPL EW348

With the VPL EW348, manufacturer Sony offers an LCD projector with WXGA 1280 x 800 resolution and a contrast of 3700:1. The manufacturer specifies a lamp life of 10000 hours, which would be over 13.7 years with a daily viewing time of 2 hours. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training courses. The projector can illuminate a screen width of up to 658 cm thanks to its 4200 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 439 cm. Furthermore, the projector can play 1080P without any problems. This model is no longer offered by Sony.
