

Sony VPL EX233

SONY VPL EX233

The Sony VPL EX233 LCD projector has 2800 Ansi lumens, a contrast of 3300:1 and an XGA 1024 x 768 resolution. The model offers a microphone jack plug and 16W speakers, so no additional audio devices are required for presentations or training courses. A screen width of up to 461 cm is possible. However, the image should be smaller in room lighting. We recommend max. 307 cm. It is also Full HD 1080P compatible. The model built in 2014 is no longer offered by Sony.
