

Sony VPL-EX570

SONY VPL-EX570

With the VPL-EX570, manufacturer Sony offers an LCD projector with XGA 1024 x 768 resolution and a contrast of 20000:1. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years with two hours of use per day. The projector also offers an integrated media player that can be used to play files directly. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training courses. An image width of up to 564 cm is possible as the projector has 4200 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 376 cm. Playing 1080P is also no problem for the projector. The projector was launched in 2017 and is no longer sold by the manufacturer.

3 x 0,63" LCD TFT Panel
XGA 4/3 Liquid Crystal Display

Projector	4200 / 2300 im Eco Mode	Screen	1400 Lux (bei 200 cm Screen)
