

Sony VPL SW631C

SONY VPL SW631C

Brief Introduction

Beta 2.5

The whiteboard VPL SW631C LCD projector from Sony has 3300 Ansi lumens, a contrast of 3000:1 and a WXGA 1280 x 800 resolution. The lamp life is specified by the manufacturer as 4000 hours, which converts to over 5.5 years at 2 hours per day. With the lens shift function, the projector can be positioned very freely. As the VPL SW631C is equipped with a microphone jack plug and 16W loudspeaker, no additional audio system is required for presentations or training courses. 584 cm image width, the projector will be able to illuminate well. However, if room light is available, the image width should ideally not exceed 389 cm. The projector is equipped with an integrated whiteboard function for interactive training and presentations. It was launched in 2016 and is no longer offered by the manufacturer Sony, but is still very popular in our projector database.
