The Sony VPL VW 11 HT LCD projector has 1000 Ansi lumens, a contrast of 700:1 and a WXGA 1366 x 768 resolution. 1000 Ansi lumens ensure that a picture width of 321 cm is also possible. However, if room light is available, the picture should be a maximum of 214 cm wide. On the market since 2002, the model is no longer offered by the manufacturer Sony, but is still very popular in our projector database.
