

Sony VPL VW320ES

SONY VPL VW320ES

The VPL VW320ES 3D SXRD has 1500 Ansi lumens, a contrast of 300000:1 and a UHD (4K+2K) 4096 x 2160 resolution. The projector also offers a lens shift function that makes image adjustment child's play. An image width of up to 287 cm is possible. However, the picture should be smaller in room light. We recommend max. 191 cm. Furthermore, it is Full HD 1080P and 4K as well as 3D compatible, and therefore all currently available Blu-ray formats can be recognized by the projector. With an operating noise of just 26 decibels, the model is already very quiet compared to others. On the market since 2015, the model is no longer offered by the manufacturer Sony.
