

topeby W600

TOPEBY W600

The topeby W600 micro-portable LED LCD projector has 580 ANSI lumens, a contrast ratio of 1000:1 and an HDTV resolution of 1280 x 720. Thanks to the LEDs, it has a lifespan of 30,000 hours which equates to over 20.5 years if used for four hours a day. The projector is equipped with a built-in media player, so playing files directly is no problem. The projector can effectively illuminate a screen width of 227 cm. However, if there is ambient light in the room, the screen width should ideally not exceed 151 cm. The projector supports AirPlay and Miracast screen mirroring, enabling high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. Furthermore, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. Playing 1080p and 4K (compressed) content is also no problem for the projector. At just 25 decibels, the device is one of the quieter projectors.

1 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Projector	580	Screen	258 Lux (200 cm Screen width)
