The Vankyo Performance V630 LED LCD projector has 340 Ansi lumens, a contrast of 50000:1 and a UHD (4K2K) 3840 x 2160 resolution. The manufacturer specifies an LED service life of 50,000 hours, which is over 34.2 years with a daily viewing time of 4 hours. Due to the brightness of 340 Ansi lumens, a picture width of 187 cm is possible. In room light, the picture should be max. 125 cm wide. Playing 1080P and 4K is also no problem for the projector. It is no longer offered by the manufacturer Vankyo, but is still a popular projector in our database.
