

Vankyo Vista T4

VANKYO VISTA T4

The Vankyo Vista T4 3D laser DLP projector has 2100 Ansi lumens and a UHD (4K2K) 3840 x 2160 resolution. The manufacturer specifies a laser service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. As this is a short-throw projector, it can be placed very close to the wall. For a 2 m wide picture, the projector only needs to be 47 cm away from the screen. The model is also compatible with Full HD 1080P and 4K as well as 3D, meaning that all Blu-ray formats currently available can be recognized by the projector.
