

Viewsonic LS620X

EAN/UPC:766907911312

VIEWSONIC LS620X

The Viewsonic LS620X 3D laser DLP projector has 3200 Ansi lumens, a contrast of 100000:1 and an XGA 1024 x 768 resolution. Due to the laser, the projector is specified with 20000 hours of light life, which would be over 13.7 years with a daily viewing time of 4 hours. This projector has a projection ratio of just 0.61:1. For a 2 m wide image, the projector only needs to be 122 cm away from the screen. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. The model is also Full HD 1080P and 3D compatible. This model is no longer offered by Viewsonic, but is still one of the very popular projectors.
