

Viewsonic LS750WU

VIEWSONIC LS750WU

The Viewsonic LS750WU 3D DLP projector has 5000 Ansi lumens, a contrast of 3000000:1 and a WUXGA 1920 x 1200 resolution. The integrated lens shift gives freedom when positioning the projector. 5000 Ansi lumens ensure that a picture width of 718 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 479 cm. Furthermore, it is Full HD 1080P and 3D compatible, and even has the option of projecting HD 1080P Blu-rays onto the ceiling using 360° projection.
