

Viewsonic PA504W

EAN/UPC:

VIEWSONIC PA504W

Brief Introduction

Beta 2.5

The standard portable Viewsonic PA504W DLP projector has 4000 Ansi lumens, a contrast of 22000:1 and a WXGA 1280 x 800 resolution. The manufacturer Viewsonic specifies a lamp life of 15000 hours, which is over 20.5 years with a daily viewing time of 2 hours. Thanks to the brightness of 4000 Ansi lumens, a picture width of 643 cm is possible. The projector will also create slightly brighter rooms with a smaller image width (we recommend max. 429 cm). As the projector optionally recognizes screen mirroring signals, it is possible to play videos with a high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. Even 1080P video signals are no problem for the projector.
