

Viewsonic PG800HD

EAN/UPC: 766907934113

Brief Introduction

Beta 2.5

A brief introduction to the PG800HD: The Viewsonic standard portable 3D DLP projector offers 5000 Ansi lumens a contrast of 50000:1 and a HDTV 1920 x 1080 resolution. The projector also offers a lens shift function that makes image adjustment childs play. 5000 Ansi lumens ensure that a picture width of 718 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 479 cm. Playing 1080P and 3D is also no problem for the projector. On the market since 2017, the model is no longer offered by the manufacturer Viewsonic.
