

Viewsonic V52HD

VIEWSONIC V52HD

The V52HD Laser DLP has 5000 Ansi-Lumen, a contrast of 2000000:1 and a HDTV 1920 x 1080 resolution. The manufacturer Viewsonic specifies a service life of 20000 hours, which is equivalent to over 13.7 years at 4 hours per day. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. The projector can illuminate images up to 718 cm wide thanks to its 5000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 479 cm. The model is also Full HD 1080P compatible and even has the option of projecting HD 1080P Blu-rays onto the ceiling using 360° projection.

Brief Introduction

Beta 2.5
