

Viewsonic X2

EAN/UPC:076690701667 3

VIEWSONIC X2

The Viewsonic model X2 is a DLP LED projector with HDTV 1920 x 1080 resolution and a contrast of 3000000:1. Thanks to the LEDs, the projector has a light life of up to 30000 hours, which is the equivalent of over 20.5 years at 4 hours per day. The horizontal and vertical keystone correction provides leeway when setting up. With a projection ratio of just 0.69:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 138 cm away from the screen. The projector can also play 1080P and 3D without any problems. On the market since 2022, the model is no longer offered by the manufacturer Viewsonic.

1 x 0,65" DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip
