

Vivitek D850

VIVITEK D850

The D850 BrilliantColor DLP has 3000 Ansi lumens, a contrast of 3000:1 and an SVGA 800 x 600 resolution. The manufacturer Vivitek specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. As the D850 is equipped with a microphone jack plug and 10W speaker, no additional audio system is required for presentations or training courses. A screen width of up to 477 cm is possible. However, the image should be smaller in room lighting. We recommend max. 318 cm. This model is no longer offered by Vivitek.
