

Vivitek D963HD

VIVITEK D963HD

The Vivitek D963HD standard portable BrilliantColor DLP projector has 4500 Ansi lumens, a contrast of 3000:1 and an HDTV 1920 x 1080 resolution. Thanks to the brightness of 4500 Ansi lumens, a picture width of 682 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend max. 455 cm). Playing 1080P is also no problem for the projector. On the market since 2012, the model is no longer offered by the manufacturer Vivitek.

Brief Introduction

Beta 2.5
