

Vivitek DW265

VIVITEK DW265

Brief Introduction

Beta 2.5

The standard portable DW265 3D BrilliantColor DLP projector from Vivitek has 3500 Ansi lumens, a contrast of 15000:1 and a WXGA 1280 x 768 resolution. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. A picture width of up to 601 cm is possible as the projector has 3500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 401 cm. Playing 1080P and 3D is also no problem for the projector. It was launched in 2017 and is no longer offered by the manufacturer Vivitek.
