VOPLLS Q9

EAN/UPC:B0HDN5BTBW

Brief Introduction Beta 2.5	With the Q9, manufacturer VOPLLS offers an LCD LED projector featuring HDTV 1920 x 1080 resolution and a contrast ratio of 2000:1. Thanks to the LEDs, the projector has a lifespan of 30,000 hours?which equates to over 20.5 years if used for four hours a day. Horizontal and vertical keystone correction provides flexibility during setup. An image width of up to 352 cm is possible, as the projector has 1,250 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 235 cm. The model supports DLNA, AirPlay, and Miracast screen mirroring, making it possible to play high-resolution videos with surround sound directly over Wi-Fi from a smartphone, tablet, or PC (Android, Windows, and iOS). Another notable feature is that the projector?s Bluetooth function allows it to connect to external wireless speakers. The projector also has no trouble playing 1080p and 4K (compressed) content.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Projector: Ansi-Lumen	1250
Projector: Contrast	2000:1
