

Wanbo X1 Pro

WANBO X1 PRO

Brief Introduction

Beta 2.5

The Wanbo X1 Pro LED LCD projector has 350 Ansi lumens, a contrast of 2000:1 and an HDTV 1920 x 1080 resolution. The manufacturer specifies an LED service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. The integrated media player can play files directly. A picture width of up to 190 cm is possible. However, the picture should be smaller in room light. We recommend max. 127 cm. As the projector recognizes Airplay, Screen Mirroring signals, it is possible to play videos with a high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. It is also compatible with Full HD 1080P and 4K (compressed).
