

Wanbo X2 Max

WANBO X2 MAX

The X2 Max LED LCD projector from Wanbo has 450 Ansi-Lumen, a contrast of 2000:1 and a HDTV 1920 x 1080 resolution. Thanks to the LEDs, the projector has a light life of up to 50,000 hours, which is over 34.2 years with a daily viewing time of 4 hours. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. The projector will be able to illuminate the 216 cm picture width well. However, if room light is available, the picture width should ideally not exceed 144 cm. The model recognizes Airplay, Miracast Screen Mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). It is also compatible with Full HD 1080P and 4K (compressed).
