

WeWatch V50

WEWATCH V50

With the V50, manufacturer WeWatch offers an LCD LED projector with HDTV 1920 x 1080 resolution and a contrast of 15000:1. The manufacturer specifies an LED service life of 40,000 hours, which equates to over 27.4 years with a daily viewing time of 4 hours. The integrated media player allows files to be played directly. A picture width of up to 161 cm is possible. However, the picture should be smaller in room light. We recommend max. 107 cm. The model recognizes DLNA, Airplay, Miracast Screen Mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. Playing 1080P and 4K (compressed) is also no problem for the projector.
