

Wielio 2026 Mini Projector 5.0

WIELIO 2026 MINI PROJECTOR 5.0

Brief Introduction

Beta 2.5

A brief introduction to the 2026 Mini Projector 5.0: The Wielio Standard Portable LED LCD Projector offers 400 ANSI -lumen, a contrast ratio of 2000:1 and an HDTV resolution of 1280 x 720. The manufacturer specifies an LED lifespan of 30,000 hours, which would equate to over 20.5 years at 4 hours? use per day. An image width of up to 203 cm is possible, as the projector has 400 ANSI lumens. However, if there is ambient light in the room, the image should be no more than 135 cm wide. The projector supports AirPlay and Miracast screen mirroring, enabling high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. Furthermore, thanks to its Bluetooth functionality, the projector can be easily paired with other speakers. Playing 1080p content is also no problem for the projector. Compared to other projectors, this model is very quiet, with an operating noise level of 30 decibels.

Display Type

- 1 x LCD Panel
- HDTV 16/9 Liquid Crystal Display
