

XGODY A45

XGODY A45

With the A45, manufacturer XGODY offers an LCD LED projector with HDTV 1920 x 1080 resolution and a contrast of 20000:1. Thanks to the LEDs, the projector has a light life of up to 30,000 hours, which is over 20.5 years with a daily viewing time of 4 hours. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. An image width of up to 227 cm is possible as the projector has 500 Ansi lumens. However, if there is room light, the picture should be max. 151 cm wide. The model recognizes Miracast screen mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. It is also Full HD 1080P and 4K (compressed) compatible.

1 x 4,5" LCD TFT
HDTV 16/9 Liquid Crystal Display

Projector	500	Screen	222 Lux (200 cm Screen width)
Contrast	20000:1 full on/off		20000:1 full on/off
