

XIWBSY T02

XIWBSY T02

Brief Introduction

Beta 2.5

The XIWBSY T02 standard portable LED LCD projector has 500 Ansi lumens, a contrast of 15000:1 and an HDTV 1920 x 1080 resolution. Thanks to the LEDs, the projector is specified with 100,000 hours of light life, which is over 68.5 years if enjoyed for four hours a day. The integrated media player can play files directly. The horizontal and vertical keystone correction provides leeway when setting up. An image width of up to 227 cm is possible as the projector has 500 Ansi lumens. However, if room light is available, the picture should be max. 151 cm wide. As the projector recognizes Airplay, Miracast Screen Mirroring signals, it is possible to play videos with a high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. The model is also compatible with Full HD 1080P and 4K (compressed).

Display Type

- 1 x 5" LCD TFT Panel
- HDTV 16/9 Liquid Crystal Display
