Yaber L2

EAN/UPC:B0HK3NSS34

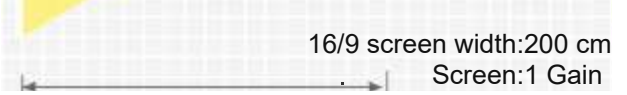

Brief Introduction Beta 2.5	The Yaber L2 is an LCD LED projector with HDTV resolution of 1920 x 1080 and a contrast ratio of 20,000:1. The manufacturer specifies an LED lifespan of 30,000 hours, which equates to over 20.5 years based on four hours? use per day. The projector also features a built-in media player that allows files to be played directly. As Yaber specifies the projector?s brightness in lumens, we have calculated an approximate ANSI lumen value in this case. An image width of up to 269 cm is possible, as the projector has 650 ANSI lumens. However, if there is ambient light in the room, the image should be no more than 179 cm wide. Thanks to Google TV, the projector can be conveniently controlled via voice commands. The projector features AirPlay, Miracast screen mirroring support, which enables high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. In addition, the Bluetooth capability is a useful addition to the projector, particularly for wireless audio transmission. Furthermore, the projector can play 1080p and 4K (compressed) without any issues.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Projector: Ansi-Lumen	650 / 520 ISO Lumen
Projector: Contrast	20000:1 full on/off
